OVERVIEW

CS graduate passionate about Data Engineering and Machine learning using web App. Proficient in a range of traditional options like Excel, SQL to modern technologies includes django and Python. Looking for a challenging role so that I can utilize my skills and capabilities through sincere dedication and hard work. Below are the field of expertise:

Data Analysis and Visualization: EDA, SAS, IBM SPSS, ELT, ETL, OLAP, RDD, Unit Testing, Web Scraping, Data Cleaning, Tableau

Machine Learning & Statistics: Linear Regression, Logistic Regression, ID3, CART, SVM, NB, KNN, K-means, Random Forest, LDA, PCA, NLP, CNN, SGD, Image Classification, Calculus, Clustering, Predictive Modelling, Probability, Regression, Linear Algebra, Distribution

Python: OOP, numpy, pandas, matplotlib, seaborn, tkinter, opencv, SciPy, sklearn, tensorflow, pytorch, pyspark, flask, selenium

Database Systems: mySQL, PostgreSQL, mongodb, MS Excel, RDMS, Joins, Data Modelling, DDL, DML, SSIS, Schema Diagram, CRUD

Cloud platform, Web and APIs: REST APIs, HTML, CSS, Bootstrap, Git, django, ORM, CBV, MVT, Heroku, Authentication, AWS, EC2

WORKING EXPERIENCE

Intelligent Image Management, Inc. (IIMI) - Dhaka, Bangladesh

Data Analyst

Jan-22 - Till Today

❖ Collecting, cleaning and interpreting data to analyze and report the results back to members of the business.

FIFOTECH Limited - Cumilla, Bangladesh

APTIS Trainer

Nov-21 - Jan-22

❖ Key focuses are on preparing the trainee for an test called APTIS under British Council and to make them comfortable with clients through comprehensive email network.

Taskeater Bangladesh Ltd (Rebranded as Quantanite) - Dhaka, Bangladesh

Data Analyst

Dec-20 - Oct-21

❖ Working alongside the management team to establish business need defining data collection and analysis processes.

EDUCATION ATTAINMENT

Degree	Major	Institution	CGPA/GPA
Bachelor of Science (2016-20)	Computer Science and Engineering	Bangladesh Army International University of Science and Technology	3.35/4.00
Higher Secondary Certificate (2013-15)	Science	Cumilla Victoria Govt College	4.33/5.00
Secondary School Certificate (2008-13)	Science	Cumilla Modern High School	5.00/5.00

ACHIEVEMENT

Jan-2022 ❖ Sololearn: SQL

Dec-2021 ❖ Data Analysis with Python: Zero to Pandas

Aug-2020 ❖ Data Structure and Algorithm in Python

Aug-2016 to Aug-2021 ❖ Multiple Dean Awards upon accomplishing graduation
